

President's Volunteer Service Award Recipients 2007-2008 for Blessed Sacrament School, Sandy UT

"The President's Council on Service and Civic Participation created the President's Volunteer Service Award program as a way to thank and honor Americans who, by their demonstrated commitment and example, inspire others to engage in volunteer service. Our School was certified to participate in recognizing individuals, families, and groups that have achieved a certain standard-- measured by the number of hours served over a 12-month period or cumulative hours earned over the course of a lifetime.

Recognizing and honoring volunteers sets a standard for service to others. It encourages a sustained commitment to civic participation and inspires others to make volunteering a central part of their lives." (President's Volunteer Service Award website)
